## THE TRANSCRIPT

860

DAD: Last week a large branch of the responder's tree fell on my car and crushed the hood. Sonny is refusing to pay for the repair.

SONNY: It is not my fault, I couldn't stop the accident. The branch fell during a hurricane having winds of 90 mph.

DAD: It is your tree and you are responsible for any damage it causes.

SONNY: You parked your car next to my tree, it is your problem.

Squire John: Have you had any previous problems with the tree.

DAD: That is wrong. A branch broke off in another storm.

SONNY: Never.

DAD: That is wrong. A branch broke off in another storm.
